List of figures	xv
List of tables.	xviii
1. Introduction.....	1
1.1. Contextualisation	1
1.2. Relevance and Motivation	3
1.3. Objective of the Research	4
1.4. Research Approach.....	5
1.5. Structure of the Thesis	5
2. Literature Review.....	7
2.1. Introduction.....	7
2.2. E-Government and E-Governance (EGOV)	7
2.3. Public Policies	9
2.4. Strategies in the Public Sector.....	11
2.5. EGOV Strategies.....	12
2.5.1. The Strategic Framework by Rabaiah and Vandijck	14
2.5.2. The Strategic Framework by Mkude and Wimmer	16
2.6. EGOV Strategy Process.....	18
2.7. EGOV Strategy Content.....	19

2.8. EGOV Measurement, Benchmarking and Comparison	21
2.9. International Rankings and EGOV	22
3. Research Design.....	28
3.1. Introduction	28
3.2. Towards the Research Design	29
3.3. The Research Design and Research Project Phases	38
3.3.1. Focus Groups.....	41
3.3.2. Interviews.....	42
4. From the Exploratory Study to Version 1	45
4.1. Introduction	45
4.2. Exploring National EGOV Strategies.....	46
4.3. Exploring Public Officials' Perception of the Use of International Rankings in EGOV Strategy Formulation.....	48
4.4. Specifying the Desired Features for the Method – Version 1	52
4.5. Developing the Method – Version 1	54
5. From the Application of Version 1 to the Development of Version 2	67
5.1. Introduction	67
5.2. Application of the Method – Version 1	68
5.3. Evaluation of the Application of the Method – Version 1	73
5.4. Reflection and Learning	75
5.5. Revision of the Desired Features for the Method – Version 2.....	79
5.6. Developing the Method – Version 2 and Formalisation of Learning	79
6. From the Application of Version 2 to the Development of Version 3.....	92
6.1. Introduction.....	92
6.2. Application of the Method – Version 2.....	93

6.3. Evaluation of the Application of the Method – Version 2	99
6.4. Reflection and Learning	100
6.5. Revision of Desired Features for the Method – Version 3	105
6.6. Development of the Method – Version 3 and Formalisation of learning	105
7. From the Application and Demonstration of Version 3 to the Development of Version 4	110
7.1. Introduction.....	110
7.2. Application of the Method – Version 3.....	111
7.3. Evaluation of the Application of the Method – Version 3	115
7.4. Demonstration of the Method – Version 3	116
7.5. Evaluation of the Demonstration of the Method – Version 3	117
7.6. Reflection and Learning	119
7.7. Developing the Method – Version 4 and Formalisation of Learning	120
8. From the Application of Version 4 to the Development of Version 5	128
8.1. Introduction	128
8.2. Application I of the Method – Version 4	129
8.3. Application II of the Method – Version 4	132
8.4. Evaluation of the Applications of the Method.....	135
8.5. Reflection and Learning	136
8.6. Revision of Desired Features for the Method – Version 5	137
8.7. Development of the Method – Version 5 and Formalisation of Learning	137
9. A Discussion About the Journey	140
9.1. Introduction.....	140
9.2. Evolution of the Strategy Formulation Process	140
9.3. Evolution of the Strategy Content.....	147
9.3.1. Stage 1.....	147

9.3.2. Stage 2.....	148
9.3.3. Stage 3.....	149
9.3.4. Stage 4.....	150
9.3.5. Stage 5.....	151
9.4. Evolution of Design Principles	151
9.4.1. Effectiveness and associated Design Principle 1	154
9.4.2. Co-creativity and associated Design Principle 2	155
9.4.3. Flexibility and associated Design Principle 3	156
9.4.4. Comprehensiveness and associated Design Principle 4	157
9.4.5. Ease of Use and Instructiveness and associated Design Principle 5	158
9.4.6. Coherence and associated Design Principle 6	160
10. Conclusion	162
10.1. Contribution	162
10.2. Limitations of the Study	163
10.3. Future Research	164
10.4. Publications.....	165
10.5. Final Comments	166
