The screenshot displays the BscScan website interface. At the top, the BscScan logo is visible, along with navigation links for 'Home' and 'Blockchain'. The main heading is 'BNB Smart Chain Explorer'. Below this is a search bar with the text 'Search by Address / Txn Hash / Block / Token' and a search icon. A sponsored banner for Binance is present, encouraging users to 'Sign Up Now'. The interface is divided into several sections: 'BNB PRICE' showing \$434.07, 'BNB MARKET CAP ON BSC' at \$9,806,775,525.00, 'TRANSACTIONS' at 2,763.30 M, and 'LATEST BLOCK' at 16737297. Below these are two columns: 'Latest Blocks' and 'Latest Transaction'. The 'Latest Blocks' section lists five blocks with their IDs, validation status, and transaction counts. The 'Latest Transaction' section lists four transactions with their IDs. A cookie notice is visible at the bottom right of the page.

CONHECENDO UM MARKETPLACE E NFTS

CONHECENDO UM MARKETPLACE E NFTS

Veja como é simples, fácil e barato criar um NFT via <https://opensea.io/asset/create>. Se for pela Polygon, você não pagará nada (<https://opensea.io/gas-free>).

CONHECENDO UM MARKETPLACE E NFTS

Crie um NFT pela Polygon
("mint") e coloque-o à venda.

CONHECENDO UM MARKETPLACE E NFTS

Note como você foi enganado e não existe nada, ainda, na blockchain (<https://polygonscan.com/>). O registro na blockchain será pago por quem, eventualmente, vier a comprá-lo (Lazy Minting: <https://opensea.io/blog/announcements/introducing-the-collection-manager/collection-manager/>).
